Work Experience

PSSi We Print - Graphic Designer

January 2021 — present

Collaborating with specialists to complete print jobs for clients.

Preparing files to be printed using Adobe suite software. Designing various print materials both for in-house use and for clients, including business cards, flyers, posters, signs, and greeting cards.

Developed templates for in-house use to improve efficiency.

Freelance - Graphic Designer and Illustrator

May 2020 — present

Completing commissions for digital graphics content such as logos, website mockups, and branding, and for illustrations for social media profile pictures, merchandise, and drawings to accompany unpublished stories by online independent writers.

Genesislevel - Computer Graphics Intern

May 22 — August 22 2019

Designed computer graphics for the purpose of marketing, including posters, fliers, logos, E-books, and social media posts.

Worked closely with team members and CEO to polish and finalize designs.
